

Spam Titan – Installing Add-on for Microsoft Outlook

Step 1

Close the Outlook Application.

Step 2

Download the installer

<https://helpdesk.spamtitan.com/helpdesk/attachments/4062308134>

Step 3

Run the installer

Step 4

Accept default settings for most prompts.

Enter the URL & port number for the filter.

SpamTitan Outlook Addin

SpamTitan Configuration

Set your default SpamTitan address. If you are upgrading from v1.0 you must enter them again. If you are entering a URL remember to include 'http://'. If you are re-installing / upgrading, enter 'default' (without quotes) to use your previous settings for either IP or Port.

SpamTitan IP/URL:
eascloud.ca

Port
443

Cancel < Back Next >

Step 5

Click Next until the install completes.

You may be prompted to allow Administrator access.

HostedBizz - Knowledge Base

Step 6a

In Microsoft Outlook, look for “Add-ins” on the menu bar.

Step 6b

If you do not have this tab, you likely need to do a registry modification.

The fix can be downloaded and installed from here:

<https://helpdesk.spamtitan.com/helpdesk/attachments/4043255875>

Or modify these settings using a registry editor (Optional)

```
[HKEY_CURRENT_USER\Software\Microsoft\Office\Outlook\Addins\SpamTitan_Outlook_AddIn]
```

```
"Description"="SpamTitan_Outlook_AddIn"
```

```
"FriendlyName"="SpamTitan_Outlook_AddIn"
```

```
"LoadBehavior"=dword:00000003
```

```
"Manifest"="file:///C:/Program Files (x86)/SpamTitan/SpamTitan Outlook  
Addin/SpamTitan_Outlook_AddIn.vsto|vstocal"
```

Step 7a

Relaunch Outlook.

The following dialogue box will appear:

HostedBizz - Knowledge Base

STOA Options

SPAM TITAN
OUTLOOK ADDIN V3.1.1

My SpamTitan
URL or IP address
eascloud.ca

Port Number 443 HTTP Timeout 10

User Authentication
User Name
user@email.com
Password

Save

Other Settings
 Send mail marked as spam to Junk E-mail folder
 Show success and report notifications

www.spamtitan.com Exit

Fill out the URL & port. Add your email credentials.

Click Save to close the dialogue box.

Step 7b

If the dialogue box does not popup, select it manually from the menu:

- Add-ins
- Options
